The Southern California Association of Governments would like to take this opportunity to thank those vendors/consultants who submitted proposals in response to Request for Proposal (RFP) No. 03-039. We greatly appreciate the time and effort that went into the preparation of the proposals.

After a thorough review of all the proposals received, we have recommended to SCAG's Regional Council that this contract be awarded to Meyer Mohaddes Associates, Inc.

Please note that the names of all unsuccessful offerors on this project will continue to be kept in our vendor database for purposes of future RFPs. Should you have any questions about this procurement, please feel free to contact me directly at (213) 236-1974.

Sincerely,
